## Find out if the C.P.P. is right for you!

---

- Do you want to launch or accelerate your career in the dynamic field of supply chain management?
- Are you a student who aspires to be part of a rewarding profession with high earning power and respect?
- Are you a busy practitioner seeking concrete skills that are directly transferable to your job?
- Do you currently work or do you intend to work at a management or executive level?

If you answered yes to any of these questions, join us to learn how the C.P.P. designation will prepare you to take on supply chain leadership roles in all sectors of the global economy.
